_____	)	

This matter is before the Court on defendant's motion to reduce sentence (Filing No. 43), and the stipulation (Filing No. 44) and the amended stipulation of the parties (Filing No. 47). The retroactive amendment to the cocaine base guideline changes the total (final) offense level from 27 to 25. The government and defense agree that the new sentence should be ninety-four (94) months imprisonment, based on the prior computation of specific offense characteristics, adjustments, and any departures. Considering the time served and credit for good time,

IT IS ORDERED:

1) Said motion is granted; the stipulation is moot and the amended stipulation of the parties is approved and adopted;

2) The sentence of the defendant is reduced to a term of ninety-four (94) months. He shall receive credit for all

time served. The conditions of supervised release entered in the original judgment and committal order remain in full force and effect.

DATED this 30th day of May, 2008.
